THE MIDAS TOUCH II

Handmade Metal Leaf Wallcoverings

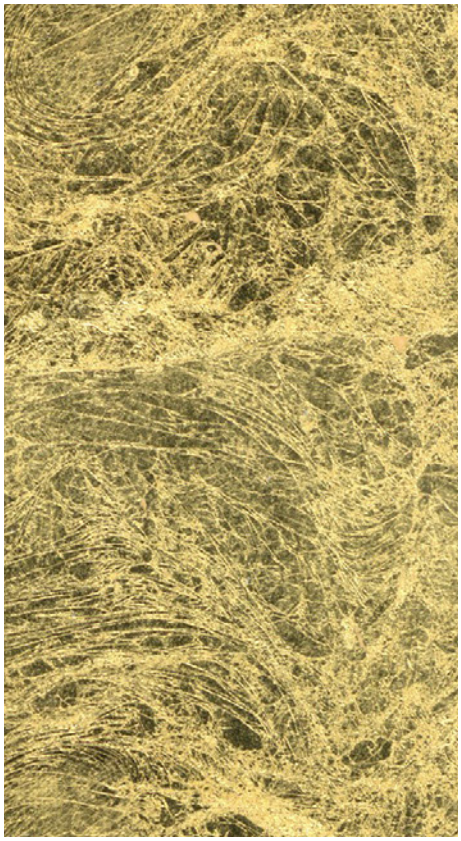

We take great pride in introducing **THE MIDAS TOUCH II**, a premium collection of gold and silver leaf and foil. This collection is made by hand in the same tradition that has been passed down for over 150 years.

THE MIDAS TOUCH II is the most diverse collection of its kind. Approximately 50% of the designs are used for walls, while the remaining 50% are applied to ceilings. This makes it an excellent choice for both residential interiors and large-scale commercial projects.
